A Big Thank You

We really appreciate your support over the last year, as a thank you for being part of our journey, we would like to show our appreciation and offer you **20% off MANTIS compatible crucibles when you buy a MANTIS filament.**

Did you know, we can offer support on a wide range of MANTIS system, source and software consumable and service issues?

Consumables will need replacing from general wear and will show signs of deterioration over time, in preparation we suggest you look into having a replacement available for when this happens, to enable you to work efficiently and continue your research for a seamless process.

We can help and advise you on filament and crucible types for your experiments.

We supply all filaments and crucible types from original vendors, they are guaranteed 100% compatible with your MANTIS system.

For more information visit our **website** or drop us an email.
